Holiday Recount (Draft) 5/2/10

Once school had ended at 2:30 on Friday, the 18th of December, I was really sad because some of my friends had graduated, I would really miss Chenoa, Elise and Maddy. I walked home with Ashlee and on the way, we started planning what we would do on the holidays. When I arrived home, I got scared to death because when I opened the door to find my brother spring out and shout "BOO!" Apparently Furfields was flooded so he couldn't go on the end of year excursion so they sent him home. Later on, I caught up with Ashlee and we hung around the street playing

on our bikes and taking photo's on our phones.

At about 2:00am in the morning on Christmas day, I was still up watching movies so I asked dad if I could open a present and he said yes, but then later on I decided not to. I went to bed at 4 and woke up at 7, so I went to wake Dad and Tom up. Once they had got up I ran to my presents. (I had been begging for a Ripstik for about 3 months before Christmas) I got a Ripstik Air, Sweeney Todd, Zohan, Blink 182 greatest hits and "Open eyes" by Paramore. I spent the rest of the morning trying to ride the ripstik and about an hour later, I did a full circle. At 11:00am, I went to Nanna's, I brought my Ripstik because the ground is a lot smoother. Standing at the door was my nanna and Uncle Trev, they had lunch prepared, it was turkey and vegies (my favorite). When we got inside, ~~we~~^I and I ran to our presents, I got a necklace, \$50, a sudoku book, 2 twilight books and "The Proposal". After lunch, I did a couple of puzzles from the sudoku book. At 2:30, we had to go home because Mum was picking us up. Mum came about 5 minutes after we got home so we said goodbye to Dad and were off to Bruce's house. When we got there, I raced out the car to go say hi to Gemma and Chris (my future step-brother and step-sister.) When I got through the kitchen, I saw Bruce, Chris and Gemma, they were sitting down watching TV, I snuck behind them and whispered "Merry Christmas" Then they got up to say hi and help us with our bags (we were staying the night) Gemma and I played some table tennis but I

accidentally crushed it. About an hour later, Bruce's family started arriving. I met his brother and sister-in-law who had just bought a new car for about \$150,000 - \$200,00. I also met some other family members that were very nice. Later on, we handed out gifts. I got a Plink Poster, a wallet, a robe, slippers, a hat and some head bands.
